Small Group Discussion 1

- **Introductions**
 - Plans for Sector-Based Training
 - How does the DOL Reentry Grant fit into your organization's broader goals/strategies?
- **Question 1:** Based on your experience, what intervention(s) is most critical to helping clients successfully reintegrate from incarceration?
- **Question 2:** What do you anticipate will be the major challenges of this project? Group brainstorm/share strategies to reduce or prevent challenges.

Project Updates

- Recent meetings in September with DOL
- Clarity around some policy questions that have been raised, some questions still unresolved.
- Major points of policy guidance for project implementation:
 - Definition of “under supervision”
 - Census Tract eligibility verification
 - Data tracking/ MIS
- Work with local Workforce Development Boards
- LISC’s October workplan

DoL Policy Guidance

Definition of “Under Supervision”

- Persons age 25+ that have been released from jail or prison within 180 days
OR persons that are actively on probation or parole

Census Tract Verification:

- Persons enrolled in the project must self-attest to living in one of the Census Tracts identified at the time of LISC’s application
- LISC plans to submit change to Scope of Work to include census tracts not previously submitted.
- Question: Capturing participant addresses during homelessness/ transitional settings

Data Tracking/ MIS

Reporting to DOL

- In recent weeks, Department of Labor unveiled an interim tracking tool for the project via webinar.
 - LISC needs tracking tool to:
 - Determine potential of export directly from Salesforce
 - Finalize plans for additional assessments (i.e. reentry/recidivism status, etc.)
- New DOL client management MIS system now expected in late 2017 or early 2018

Salesforce Reporting (October):

- From the main Client Case Record, under “Groups for Reporting,” Select DOL: Reentry
- Check the BCO Box when a client begins bridge or training activities

LISC's October workplan

Finalize subcontracts

- Goal to have needed revisions finalized by 10/13; draft subcontracts to sites week of 10/16

Finalize Workforce Development Board MOUs

- LISC will be the named “Required Partner” but will reference local partners wherever possible.

Finalize plans for cohort meetings/convenings + other needed training

Final clarity on MIS Reporting Needs (Access vs. Salesforce); schedule training Webinar

‘Go live’ on LISC DOL Reentry Resources webpage (to be housed at www.foc-network.org)

LISC subgrantee workplan

Start enrolling!

Firm up/ finalize training plans

- Work with local LISC Program Officer wherever support is needed
- Notify local Program Officer by email of training plans and/or any anticipated changes
- Changes to overall outcomes/numbers served will need formal approval

Enter all data in Salesforce!

- “Real time” Salesforce reporting will be critical in this grant.
- Higher level of program monitoring should be expected relative to general FOC/ BCO.

LISC subgrantee workplan (cont'd)

Please send to Paul Schulz (pschulz@lisc.org):

- Current Career Development Plan utilized by your organization
- Current Risk Assessment (if any) used by your organization or criminal justice partners.

Small Group Discussion 2

- **Question 3:** From a peer learning standpoint, what are you most interested in learning more about from cohort colleagues?
- **Question 4:** How would you like to see LISC support your success in this project, both as an intermediary (i.e. communications, training, TA, etc.) and/or facilitator of peer networking with other subgrantees?

Questions?
